

ANYONE FOR TENNIS?

COPY:

Wimbledon comes to your event with a pristine court, dead posh umpire and highly strung player looking to take on all comers.

Luckily members of the audience help out, standing in for ball boys, physiotherapists and even Royalty.

The thrilling 'one setter' includes slow motion replays, headed line calls and live comic commentary.

In the end, somehow ... Andy Murray always wins and everyone goes home happy!

TECH SPEC:

We need

- Parking close to the performance site is the greatest gift you can bestow!
- Changing – the van is fine if it is close to the site, but feel free to spoil us.
- This show requires 6m x 10m of level (ish) ground for the court and space to play.
If the performance is on rough grass then plyboard/blockboard sheets to go under court are needed (area 4m x 6m)
- A P.A. that we can plug a mic and an ipod into.
If not possible let us know and we can arrange a battery system.
- Stewarding of equipment is required between performances and during the performance if it is likely to get lively!!
- Access to the performance area for a van, to lay/remove court
