JUST IN CASE

Two sharp suited performers arrive with seven mysterious flight cases.

Inside each case is a new comedy adventure:

An unforgettable Tribute to "*The Sound of Music*"
Smashing Plate Manipulation,
and a juggling version of *Hamlet*, to name but three.

Book this show when nothing but a big crowd having a good time will do!!

TECH SPEC:

- Performance space: semi-circle with 5m radius
- We sometimes use fire in this show so a steward for 5 minutes at the end when this happens is a sensible precaution to stop children encroaching over the boundary rope.
- All our performances are self contained for power, water and anything else we use.
- Storage space for props between performances is essential.
- Parking close to the performance site is the greatest gift you can bestow!
- Changing – the van is fine if it is close to the site, but feel free to spoil us.
