

# VICTORIAN SHOW

## **COPY:**

Travel back in time with us and experience all the fun of the Victorian gutter!

Incredible feats of juggling, balance and daring do from the pair that have performed in front of:

The Prince of Wales,

The Duke of Edinburgh,

and many other local pubs...

## **TECH SPEC:**

- Performance space: semi-circle with 5m radius.
- We sometimes use fire in this show so a steward for 5 minutes at the end when this happens is a sensible precaution to stop children encroaching over the boundary rope.
- All our performances are self contained for power, water and anything else we use.
- Storage space for props between performances is essential.
- Parking close to the performance site is the greatest gift you can bestow!
- Changing – the van is fine if it is close to the site, but feel free to spoil us.
