

CHEESY RIDER

COPY:

Ronny Ronco and Kenny K-Tell and their mobile cocktail bar serve an all action mix of shaker juggling, comedy cookery, and an unforgettable 60's "makeover" for one lucky volunteer!

With 49cc's of raw power and a six pack of Babycham this show is a firm family favourite.

File under: Fun family show, static or walkabout

TECH SPEC:

- For the maximum impact with the show we like to drive the bike / mini bar into position. For this to be safe we need a steward to lead the way (this only takes 2 minutes).
- There is also (sometimes) some fire juggling at the start, so a steward to stop anyone encroaching over the boundary rope is advisable.
- It is the responsibility of the organiser to get any permissions for us to drive the bike on pedestrian areas, in processions etc. (We can push the bike into position if this is not possible)
- Performance space: semi-circle with 5m radius

- All our performances are self contained for power, water and anything else we use.
- Storage space for props between performances is essential.
- Parking close to the performance site is the greatest gift you can bestow!
- Changing – the van is fine if it is close to the site, but feel free to spoil us.
